

BUILDING HOPE... FEEDING the HUNGRY

In the path leading to the front door of the new facility, the Food Bank of Northeast Arkansas has reserved a special place for 100 engraved paving stones. You can show your support of the Food Bank of Northeast Arkansas with a gift to the "Building Hope... Feeding the Hungry" campaign. For a gift of \$500, the Food Bank will engrave your name or the name of someone you want to honor or remember, on one of the 100 paving stones. These stones will symbolize the Hope you are providing to thousands of hungry families in Northeast Arkansas through your support of this campaign.
